

Penn Jersey Horse Show Association

50th Anniversary

Dear Sir/Madam:

Penn Jersey Horse Show Association is a non-profit open horse show association that hosts or arranges low cost horse shows in Northeast Pennsylvania and Northern New Jersey that are designed to introduce and encourage riders to the sport of horse showing while maintaining a fun and low stress atmosphere for our competitors. This year we are excited to be celebrating 50 years as a non-profit organization! Along with our numerous horse shows and event throughout the year, we are also a qualifying series for the Colonial Classic. Some of our members compete in Harrisburg at the Colonial Classic finals over Labor Day weekend.

Each year PJHSA chooses a non-profit as our benefiting organization. This year we have chosen Peaceable Kingdom, a local no kill shelter located in Allentown, PA. A portion of our proceeds and supplies donated will go to help save many small animals throughout the area. More information about Peaceable Kingdom can be found at www.lvpeaceablekingdom.info/about.

You and/or your company can help support us with advertisement or sponsorship for our annual Benefit Horse Show on August 4, 2019 at Rosewood Equestrian Center. This sponsorship will help keep the cost of shows down, help Peaceable Kingdom and also contribute to our scholarship program. All while promoting your company! Your company will be advertised in our show booklet and announced during the show as a sponsor. If you have any questions please call Shelby Simmons at [610-417-7507](tel:610-417-7507)
